

Pleasure Island Sea Turtle Project 2011 "Adopt-a-Nest" Program

Carolina Beach & Kure Beach, North Carolina

Please help support the work our volunteers do to ensure the preservation and protection of threatened and endangered sea turtles on Carolina Beach and Kure Beach. When you contribute \$50 to the Pleasure Island Sea Turtle Project to adopt one of our sea turtle nests you will receive a certificate identifying your nest, a special "Adopt-a-Nest" t-shirt, a P.I.S.T.P. DVD with a nest hatching and we will notify you via email the status of your nest, when it hatches and the number of live hatchlings the nest produced.
